### About This Game

Welcome to the **Aplowcalypse** — the revenge-fueled, multiplayer battle arena where players control futuristic snowplow-mechs in the bowels of a massive space beast that has just devoured Earth. Team up with 3 other drivers and seek vengeance for your fallen planet by battling through the innards of this intergalactic monster. Along the way, earn points, "plowers," and bragging rights as you plow through alien parasites and attempt to be the best alien slayer in the belly of the beast.
