Absolute Fantasy XXS features a plot, dialogue and objects as well as a storyline, monsters and dungeons, and other various elements that can be easily added using the script editor. Absolute Fantasy XXS has been designed for the entire family, and will thrill players of all ages. From the two-dimensional games for the children, to the brand-new 3D games for the young adult, to the ultra-realistic action games for the adults, Absolute Fantasy XXS covers all the bases. New games may be created in the RPG Maker Visual Editor® system, and are saved as MP3 files and can be played back. The editor is easy to use, with drag-and-drop functions to import the visual style of a game, import sounds, import dialogue, and edit the battle and game statistics. There are also basic functions for generating the text and game back-ups. Users can create their own RPG story and even their own music and battle soundtracks. The RPG Maker software can be installed in Windows XP, Windows Vista, Windows 7 and Windows 8.4. It can be downloaded for free from RPGmaker.net, and a complete tutorial can be downloaded from the same page. The Ultimate RPG Maker gives you the power to create your own original RPG on Windows. Its popular and user-
